

Assistant Chief, Mediterranean Bureau

17 March 1949

Chief, FBIS

Motor Transportation for Mediterranean Bureau, Cyprus

1. Reference is made to your memorandum to Chief, FBIS dated 3 March 1949, subject as above.

2. Your suggestion for disposing of the four sedans and one weapons carrier at the Mediterranean Bureau (Cairo) and for using the proceeds of the sale to purchase new vehicles for Cyprus has been presented to the appropriate officials of the Agency. The suggestion was not considered feasible inasmuch as the Agency lacks the necessary authority to purchase any new passenger carrying vehicles without special approval by the Director. This is true regardless of the method in which necessary funds are obtained.

3. The problem of obtaining additional vehicles for Cyprus is still under consideration, however, and you will be advised when the matter has been resolved.
